

K-Love comes to me via an FM translator at 96.9 fm in Troy, Ohio. It brings me the news and inspirational music I need and want. And, it gives me local listings of area events I'm interested in. This service is in the public interest because it provides the type of Christian music I like and want along with news and local events. Please continue to allow KLOVE to broadcast via translator at 96.9fm in our area. Thank you.
